

# COUGAR BOAT WISH LIST

Now that you've selected a Cougar boat model it's time to rig it the way you want it and the way you'll fish it with the options and custom features from this model's Wish List.

To receive the Wish List for this model please send us an e-mail to...

[cougarmarineusa@rgv.rr.com](mailto:cougarmarineusa@rgv.rr.com)

**and in it include your name, address, phone number and the particular boat model that you are interested in.**

Once we receive your Wish List request, we will immediately send it to you. The Wish List is in "Word" format (you may need to allow 'editing') and you can then check off the items that you're interested in and list in the "remarks" section any special items or changes that you might want included on your new Cougar boat. After you complete your Wish List, simply e-mail or fax it back to us and we'll send you a custom price quotation for your review, any editing or changes that you may desire and approval. Then it's time to get your boat ordered.

If you have any questions about the Wish List process or you experience any difficulties, please call us at [956-399-3272](tel:956-399-3272).

Thank you and happy boating!!!
